

S H I R M A K

*The reliable name in the livestock industry*

## Tiny

**Capacity:** 1 to 10 liters

**Features:** Pasteurize colostrum without the possibility of cooling

**Dimensions:** 50 X 50 X 50

## IG plus 15

**Capacity:** 3 to 15 liters

**Features:** Pasteurizing colostrum with time adjustment

**Warmers - Defrosting**

**Dimensions:** 70 X 50 X 70

## IG plus 25

**Capacity:** 3 to 25 liters

**Features:** Pasteurizing colostrum with time adjustment

**Warmers - Defrosting**

**Dimensions:** 70 X 50 X 70

# SHIRMAK

*The first and only in Asia*

- More than 10 years of research and experimentation with the cooperation of top professors in Iran and the United States
- A new method in pasteurizing colostrum with specific protocols of Shirmak
- Eliminate all pathogens from colostrum with minimal effect on colostrum internal factors  
(Mycobacterium paratuberculosis – BLV - mycoplasma infections – listeria – staphylococcus – salmonella – E coli – IBR – BVD....)
- Fully automatic operation of the device without any manpower error
- Positive effect on increasing the growth rate and health of calves
- Strengthen the calf's immune system to absorb more immunoglobulin's
